

Housing is Healthcare

2012

**SILENT AUCTION
DONATION REQUEST**

MISSION STATEMENT:

*Jerusalem House believes **Housing is Healthcare** for homeless and low-income individuals and families living with HIV/AIDS and leads the Atlanta community in meeting the needs of this population.*

Jerusalem House was established in 1988 by a coalition of community leaders who envisioned a residential facility for homeless people with AIDS that would foster independence and dignity. We are a non-denominational agency so-named because “**Jerusalem**” means “**dwelling of peace.**”

We fulfill our mission through four programs:

- **Program for Adults** (opened 1989) - provides a home and supportive services to 23 single adults living with AIDS
- **The Family Program** (opened 1997) - devoted to homeless mothers with HIV/AIDS and their children, provides apartments to 12 families, including 25 children
- **Scattered Site Program** (launched 2003) - serves 32 individuals with HIV/AIDS and approximately 23 children
- **Scattered Site II Program** (launched 2009) - provides 101 housing units (approximately 135 residents) for homeless and low-income families and individuals affected by HIV/AIDS

Of the nearly 250 residents we serve daily, approximately 100 are children who, having now lived in a structured home environment, are likely to break the intergenerational cycles of HIV/AIDS, poverty, and homelessness. Plans are underway to add another 12 housing units in 2012.

Jerusalem House is incorporated in the State of Georgia and recognized by the US Internal Revenue Service as a not-for-profit, public charity under Section 501(c)(3).

No child resident has been held back in school after having moved to Jerusalem House.

The Stars Party & Silent Auction is a one-night, invitation-only fund raising event held exclusively for Jerusalem House donors, corporate sponsor representatives and guests of the Board of Directors. Funds are raised through a silent as well as through ticket sales for our annual raffle drawing held in October.

The event, which is structured as a cocktail party with cocktails, beer and wine and other beverages, also features food stations featuring hot hors d'oeuvres provided by local restaurants. Attendance this year is projected at 400 people.

One hundred percent of the funds raised will be used to support the four housing programs at Jerusalem House.
